

Greetings,

Thank you for submitting the supporting documents.

Your FOR GCAP Code (**GCAP0620326**) will expire on: **31 March 2026**

1. The UAE GCAA may carry out ramp inspections on your aircraft to ensure compliance with the above requirements, during your operations to/from UAE airports.
2. The Operator must ensure all supporting documents that have been uploaded in the GCAABOX such as AOC, OPS SPECS, CoA, CoR, etc., remain valid by updating the folder, in a timely manner.
3. Kindly request renewal at least one month prior to expiry, in case you would like to continue operations to/from UAE Airports.
4. Please keep us informed of any change in your email address.
5. Filling the above registration number in field 18 of the flight plan is Mandatory.
6. FOR GCAP code is valid only for aircraft operated under your AOC.
7. Ensure all aircraft that are operating to the UAE, under your FOR GCAP registration, are equipped with RNAV1 GNSS and ADS-B OUT.

Best regards,
